Sir:

PRELIMINARY AMENDMENT

In order to place the above-identified application in better condition for examination,  
please amend the application as follows:

IN THE CLAIMS

Please cancel claims 17, 18 and 19 without prejudice or disclaimer.

Please substitute the following amended claims for corresponding claims previously  
presented. A copy of the amended claims showing current revisions is attached.

5. (Amended) Apparatus as claimed in claim 1, wherein said non-native instructions are Java Virtual Machine instructions.
6. (Amended) Apparatus as claimed in claim 1, wherein a non-native subroutine is called from native code via a non-native veneer subroutine, such that, upon completion of said non-native subroutine, a return to non-native instruction can be used to return processing to said non-native
